

# Unified Threat Management

Compact  
UTM  
Device

Defining  
Cyber  
Security  
for  
SOHO

Tacitine EN6200 RED Series designed for Small Office, Home Office, Branch Office and Medium Segment business to protect against Cyber threats.

RED Series UTM's provides complete security and hacker free network environment for any office coupled with Monitor, Manage and Control features at an affordable price.

In addition to UTM features, RED Series are equipped with AAA Hotspot functionalities for total user management on both wired and wireless network.

100% uptime is achieved in RED Series by 3G/4G dongle and hotspot.

RED Series UTM's are compact, fanless, more reliable, low power consumption and can be placed in office without any much special arrangement.

## Specifications

| Performance Parameters       | EN6200 RED 35            |
|------------------------------|--------------------------|
| Concurrent Sessions          | 2,275,000                |
| New Sessions/sec             | 21000                    |
| Firewall Throughput(Mbps)    | 2400                     |
| Firewall IMIX(Mbps)          | 1400                     |
| UTM Throughput(Mbps)         | 330                      |
| GAV Throughput(Mbps)         | 330                      |
| IPS Throughput (Mbps)        | 670                      |
| VPN Throughput(Mbps)         | 260                      |
| IPsec VPN Peers              | Unlimited                |
| Site to Site SSL VPN         | 2/200                    |
| IPv6 Ready                   | Yes                      |
| Firewall Policies            | Unlimited                |
| Inbound NAT connection       | Unlimited                |
| Local User Database          | Unlimited                |
| IP/Mac based filter rule*    | Yes                      |
| MAC-IP-Interface binding     | Yes                      |
| Licensed LAN Users           | Unlimited                |
| User Management AAA Hotspot  | Yes                      |
| Hardware Specification       |                          |
| Gigabit Ethernet Ports       | 1xLAN 1xWAN              |
| RAM DDR3                     | 2GB                      |
| Storage SSD                  | 32GB                     |
| USB / VGA Port               | 2/1                      |
| Form Factor                  | Desktop                  |
| Dimensions (mm) - (HxWxD)    | 20x189x178               |
| Weight (Kg)                  | 1.2                      |
| Color                        | Grey                     |
| Power Supply                 | 12V/3A                   |
| Input Voltage                | 100-240V/50-60Hz         |
| Consumption                  | 10W                      |
| Total Heat Dissipation (BTU) | 110                      |
| Operating Temperature        | 0-45°C                   |
| Storage Temperature          | 2-70°C                   |
| Relative Humidity (NC)       | 10 to 90%                |
| Regulatory Compliance        | FCC Part 15, Class B, CE |

# All specification and photos are subject to change without prior notice.

1.Maximum throughput performance is measured under ideal test conditions using industry standard performance test tools. 2. Firewall UDP throughput performance is based on RFC 2544 guidelines. 3.All Performance values are upto or rough guideline only and vary depending on system configuration. 3. IPS throughput(http) measured using default IPS rule set and 512KB object size. 4.VPN throughput measured using multiple tunnels with 512KB response size. 5.Testing done with multiple flows through multiple port pairs. \* If all slots populated.

## Ordering Information

|  |   |
|--|---|
| EN6200-RED-35-H-Y  | 2 Port device includes AV/CF/AS/IDS/IPS/AAA/HW Warranty subscription upto 50 concurrent users with "H" Variant and "Y" Support. |
| H = Hotspot Variants Options: Default Hotspot(DHS), Office Hotspot (OHS), Hospitality Hotspot (HHS), Educational Hotspot(EHS).<br>Y = Subscription years options : 1 Year or 3 Years |   |

## Tacitine Assured Support

Tacitine products come with direct OEM 24/7 support by trained Professionals for product configuration and support. TAS helps customer on security best practices to make the network hacker free and more reliable.

## Features

- Router
- Multi LAN/WAN connection
- Scalable Users
- Auto Load Balancer
- Auto Fail Over
- SPI Firewall
- Geo IP Filter
- Web Security
- Content Filter
- Email Security
- Gateway Level Antivirus
- Intrusion Prevention System
- Intrusion Detection System
- AAA User Management
- VPN - SSL/IPSec
- Quality of Service
- DDNS/SNMP/Remote sys log
- Traffic Analyzer
- Inbuilt Logs & Reports
